Building Safer and more Prosperous Communities
in Leicester, Leicestershire and Rutland

As your PCC I have listened to your concerns. Key crimes are reducing, support services for victims have improved and investment in crime prevention is working.

But enforcement alone is never going to cut crime completely, which is why I have dedicated this leaflet to crime prevention to help you keep yourself and your belongings as safe as possible.

Crime prevention, catching criminals and making our communities safer remain my top priorities.

Money Matters

The budget for 2025-2026 has been set at £255m which is an increase of £11.6m (4.8%) from 2024-2025.

This means the amount of council tax a Band D property will pay towards policing will increase by 27p per week.
