Making Leicestershire and
Rutland Safer
2022-23

DELIVERING ON MY PROMISES

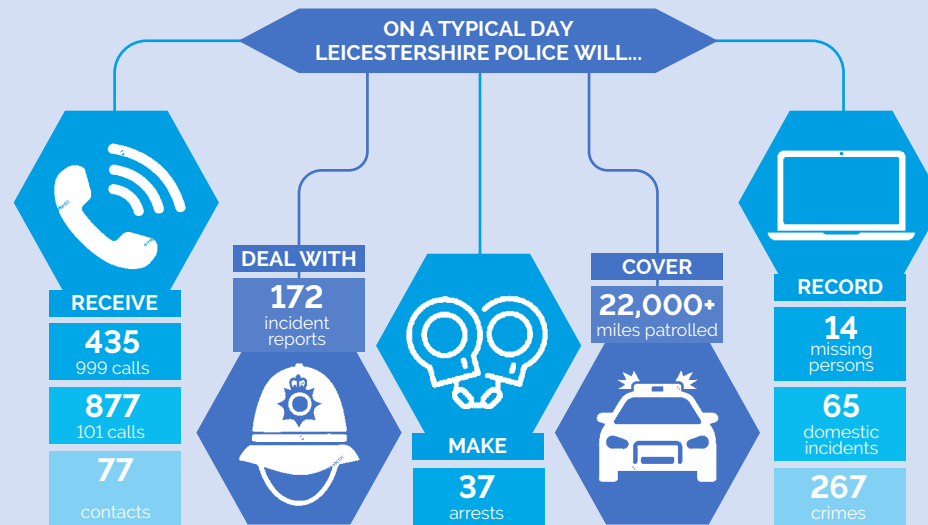

The Police and Crime Plan that I have put forward has been endorsed by thousands of people across Leicester, Leicestershire and Rutland. Implementing that Plan will strengthen policing across the whole of Leicester, Leicestershire and Rutland. It is a plan that recognises that one size doesn't fit all; a plan that responds to your concerns and meets your expectations, wherever you live.

On your behalf I have made it clear that I expect to see:

- Visible Policing – more police officers in our communities, tackling your concerns.
- Community Policing – ensuring local residents are heard, know who their local police officers are and have confidence that the force is keeping people safe.
- Better support for Victims – outstanding support services, tailored to your needs.
- Rural Policing – a rural police presence tackling the crimes affecting rural communities.

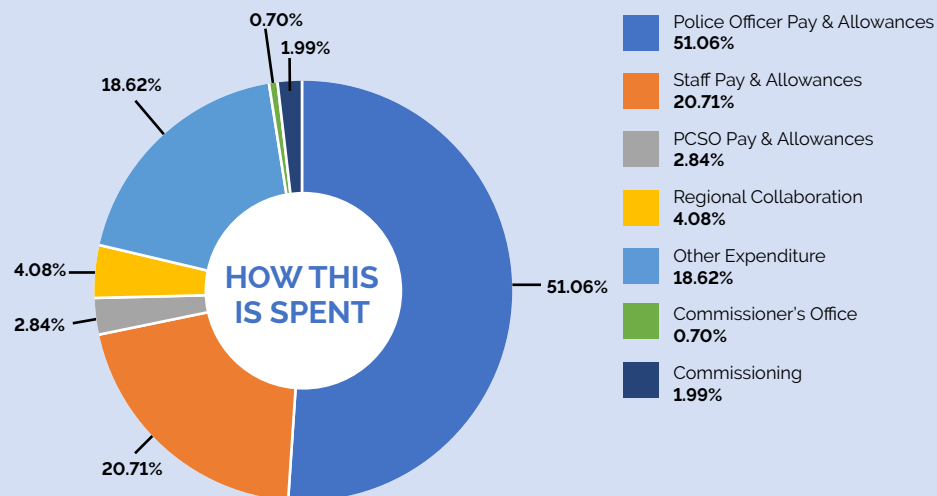

With your support I have set a budget that will enable the Chief Constable to make these improvements. I will monitor the progress against your priorities every step of the way on your behalf.

POLICING LEICESTER, LEICESTERSHIRE AND RUTLAND

THE COST OF YOUR POLICE

The budget has been set at £223.2m for 2022-23. The amount you will pay towards policing in 2022-23 depends on the property in which you live. The average (Band D) household will pay an extra 19p a week through the small part of the council tax bill that goes towards policing.
