Council Tax Information 2024-25

Report by Rupert Matthews,
Police and Crime Commissioner

**POLICE & CRIME
COMMISSIONER**
For Leicester,
Leicestershire & Rutland
Your Communities - Your Commissioner

"My vision is for efficient, robust and professional policing in Leicester, Leicestershire and Rutland."

Crime prevention, catching criminals and making our communities safer have always been my top priorities as your Police and Crime Commissioner. It is vital that we protect and build upon the significant improvements seen over recent years.

That's why my budget for 2024-25 enables:

- Stronger neighbourhood policing
- Greater police visibility
- Better equipment for police officers
- Sustaining our 332 additional police officers
- A robust Rural Crime Team
- Prevention of crime and ASB
- Improved victim services
- Tackling business and retail crime

As your PCC I am addressing your concerns about community safety. Key crimes are reducing, rural crime is being tackled successfully, support services for victims and those at risk have improved, and my investments in crime prevention are paying dividends.

I am determined to continue the hard work already undertaken and ensure we build on our successes so far.
