Title: Supporting People Bereaved by Suicide

Summary of Issue:

Individuals bereaved by suicide are themselves at increased risk of suicide, suicide ideation, depression and poor social functioning. The Police and Crime Plan has a commitment to work with partners to reduce the number of suicides across the force area. The PCC is therefore partnering with Leicester City Council and Leicestershire County Council to commission a Supporting People Bereaved by Suicide service which will provide comprehensive support for people bereaved or affected by a death by suicide.

Each of the three parties is putting forward £25,000pa so as to create a contract with a value of up to £75,000pa. Leicestershire County Council will lead on the procurement of the service and a partnership agreement will be set up to sit over the contract. The contract is to be for 2+1+1+1 years giving spend across financial years as per table 1.
