**Title: Additional Police and Crime Commissioners Prevention grant funding**

### Summary of Issue:

In February 2020 The Police and Crime Commissioner published the Commissioning Framework which set out the commissioning budget for 2020-21. Within the framework the Police and Crime Commissioner set aside £250,000 for his grant programme, the Police and Crime Commissioners Prevention Fund.

With the advent of Covid-19 it became apparent that additional provision was going to be required as a result of the virus to support local communities and on 9<sup>th</sup> April 2020 the Police and Crime Commissioner together with officers present made the decision to increase the grant budget for 2020-21 from £250,000 to £350,000.

The extra £100,000 will be added to the Prevention Fund to support local community groups and organisations response to Covid-19.
