Title: New Parks People Zone Funding Application

Summary of Issue:

The Police and Crime Commissioner for Leicestershire has allocated £30,000 from the Commissioning budget to fund projects/programmes or initiatives within the three current People Zone areas, the purpose of which is to support the achievements and objectives across all the People Zones areas. This includes investing in building community and providing interventions which will support parents, children and young people to achieve and make positive choices thereby creating a bedrock from which the community safety objectives of the PCC's Police and Crime Plan can be achieved in those specific communities.

The PCC has received and considered 1 application for a project in the New Parks People Zone area and has agreed to fund said project, as set out in Table 1. below.
