Received in OPCC Date:

OPCC Ref: EXE0023-22

**Title: Operation Repeat - Door step Fraud awareness project**

### Summary of Issue:

Operation Repeat is as above a door step fraud awareness project with the principal aim of identifying and training key local Health and care professionals to provide fraud awareness messaging to members of their local communities who are vulnerable to fraud

### Background

Op Repeat is a project developed by an ex crime prevention officer and has been funded and adopted in Lincolnshire, North Wales and Northamptonshire where the OPCC has agreed to extend funding the project for a second year. The project has now trained over 2500 health and care professionals in each area which have provided fraud protect advice to vulnerable members of their communities. The project is based on delivering messages on train the trainer basis with the intention that those that are trained will spread the messaging and provide advice, guidance to the people they come in contact with.

### Recommendation(s) presented:

Match funding by the OPCC of £12,500 to raise awareness of Fraud in the local communities of Leicester, Leicestershire and Rutland. The project utilises local private and public sector organisations represented locally to deliver guidance and advice thus reducing the impact on policing. This is a tried and tested project which is simple and effective and value for money
