**Title: Police and Crime Commissioners (PCC) Commissioners Safety Fund – Round 4 Successful Bids**

### Summary of Issue:

In 2021/22 the Police and Crime Commissioner (PCC) launched his grant programme, The Commissioner's Safety Fund. The Commissioner's Safety fund is a grants programme with 6 rounds per year alternating between generic and specialist themed rounds. Round 4 is the second general round of the year.

Round 4 opened for applications on 01/06/2022 and closed on 25/07/2022. 23 applications were submitted during this time. The applications were assessed in line with the Commissioners Safety Fund criteria and moderated by a panel 23/09/2022 – 27/09/2022. 2 applications scored 70% or above, 7 scored 60% or above, 8 scored 50% or above, and 8 scored less than 50%. Following discussion with the Head of Commissioning, the decision was initially made to award those applications that scored 60% or higher, due to the high quality of these applications. However, on further investigation, 2 of those applications were deemed unsuitable for funding on this occasion due to the applications not aligning with the values of the Police and Crime Plan. The successful were presented to the PCC for final approval.

The PCC approved to fund 7 bids in Round 4. This equates to a funding commitment of £65,474.00
