## **Supporting information**

**1) Detail of additional information attached.**

Please see attached approved recommendation.

**2) Expected benefits.**

This will enable us to achieve our strategic plan and avoid a number of large costs later this year for both on prem 'tin' and VMWare price increases.

We need partner support to do this at any sort of pace as we don't have the skills. The reason ANS are best placed is that they have worked with us to assess and evaluate the landscape we are in. They know all our problems, issues and dependencies. To get another partner would mean re-running all this which is weeks and weeks of re-work
